## Lehman Asks Assembly To Aid Anti-Crime Plan, Adjournment Wanes

Governor Calls Upon Speaker Ives To Bring His Anti-Crime Program to a Vote—Senate Has Already Approved Many Bills.

### AT FULL SWING

Both Houses Working at Full Swing But Many Do Not Expect Session to End Until May 9.

By ROGER R. LOVEYS (Associated Press Staff Writer)

Albany, N. Y., April 27 (AP)—New York's 1936 Legislature rode into its 18th week today amid fast-breaking developments that may shatter plans for adjournment by Saturday.

Once hopeful that the work could be completed by the end of the week, leaders now decline to hazard a guess as to the possible adjournment date in the light of:

(1) Governor Lehman's renewed fight for approval of his entire 60-point anti-crime program, directed at the Republican-controlled Assembly through its speaker, Irving M. Ives.

(2) The governor's request for a \$10,000,000 appropriation from the general fund to finance unemployment relief until February 1, 1937, and for authorization to submit a \$30,000,000 bond issue to the November electorate to care for the rest of 1937.

(3) The governor's determination to obtain Assembly approval of his bill aligning New York state with the federal social security act.

(4) A Republican move to revive a proposal for a sweeping investigation into the causes of unemployment in New York state.

Few Capitol observers would be surprised if the session should extend until May 9.

### 925 Bills

Nevertheless, both houses will resume work in full swing tonight—the Assembly for the first time since the Easter recess began on April 1. The Senate resumed actual work last Monday after a two weeks' recess, passing more than 325 bills in four days.

The Assembly faces a calendar of 135 bills, and the Senate 178—including the governor's drastically cut budget.

The \$292,665,956 budget—\$15,245,044 less than the original document—is slated for quick approval in the Senate, followed by speedy concurrence in the Assembly.

The Republican Assembly majority made the cut so as to permit reduction of the state gasoline tax from four to three cents a gallon.

Democratic leaders agreed to the reductions last week after a deadlock that prevailed for six weeks and held legislative machinery at a virtual standstill. Governor Lehman cleared the way for the break when he capitulated to the Republicans with a warning, however, that they must take full responsibility for the cuts and deferment of \$11,160,010 in debt payments.

The governor's last minute appeal for approval of his anti-crime program, made in a letter to Speaker Ives, seemed certain to provoke a bitter debate in the Assembly.

### 19 Await Action

Thus far, only 27 of the 52 bills embodying the governor's 60-point program have become law. The Senate has passed all but three of the measures, but 19 are still before the Republican-dominated Assembly.

"I have sought your cooperation and assistance in winning approval by the Assembly of these important anti-crime bills," the governor wrote Ives. "I have said that you should be standing shoulder to shoulder with me in this fight; that you and your associates should be aggressively cooperating with me. I again seek your cooperation."

Meanwhile the Republican Assembly leadership prepared to press their proposal for an investigation into the causes of unemployment, and ask a \$25,000 appropriation to finance it, as a result of the governor's recent message stating that an additional \$40,000,000 is needed to finance relief through 1937.

The Republican Assembly majority scrapped a bill earlier in the session because it carried an appropriation which could not be approved until the budget became law. Now, however, they feel they may gain support of the proposal in both houses.

Governor Lehman favors such an inquiry, but his methods differ. He would have a committee composed of the legislative leaders and four persons appointed by him, while the Republicans want a group made up of members of the temporary emergency relief administration and members of the relief committee of both houses.

### To Force Vote

Either tonight or tomorrow, Democratic Assembly Leader Irvin Steinmetz is expected to move to discharge the Assembly's eight-point social security bill, and thus bring a record vote on it.

The Senate adopted the program in entirety, but the Republican Assembly majority shrank it aside because increased taxes would be necessary to raise \$4,000,000 to finance the plan.

Some Republicans declare that the program is doomed, now, any way. In (Continued on Page Three)

### Freighters Crippled In Ocean Proceed Unaided

New York, April 27 (AP)—Two freighters, crippled in mid-Atlantic during a heavy gale, proceeded without assistance today after three liners had swung from their courses to give aid.

The Ivanhoe, owned by the Narosatic Line, broke a rudder yesterday, but when the Polish liner Pilsudski reached her side this morning, she said she needed no immediate help and would await a salvage tug.

A few hours later, the British freighter St. Quentin, toward which the luxury liners Bremen and Washington were plowing through heavy seas, sent word she would continue unaided.

"Weather moderating. Sustained considerable deck structure damage," said the message from the master of the St. Quentin, which carried a crew of about 30.

"After effecting repairs to steering gear will proceed this afternoon without assistance. Thank you."

There was no word from a third ship—the British freighter, Rushpool, which yesterday reported difficulties. Shipping officials here expressed the belief she was in no further danger and had gone on her way.

## Prudencio Gonzalez On Witness Stand

Prudencio Gonzalez took the witness stand at the opening of county court this morning and on cross examination by District Attorney Cleon B. Murray testified that on October 12, 1931, the day of the Kerhonkson road camp was held up and several of the boarders robbed, that he had gone to church at Atlas, Pa., and that he had been seen in that town by several of the residents. He said he had been unable to communicate with any of these people as about five years had passed and letters which had been sent to people whom he believed had seen him had been returned unclaimed.

On cross examination he said he had been engaged in the hotel business, operated a boarding house and has also been employed as an amier at various times. At other times he had been employed on ships as a wiper and worked in factories. He denied that he told the police at War, West Virginia, when he was arrested that his business was gambling.

A week after the robbery at Kerhonkson Prudencio said he had secured a license to marry but had never married and was not married now. He denied he had ever conducted a disorderly house but admitted that he had written to his brother and asked for two women whom he said he needed to work in the hotel. He explained that the letter which he sent to his brother and which contained reference to two women had been written to secure help. A later reference to payment of money and room rent he did not explain.

On September 4, 1927, he said he had paid a \$5 fine in Paterson, N. J., for playing cards in his house. He denied that he had been convicted on November 17, 1930, at Paterson of being an inmate in a disorderly house and also that he had been convicted on January 27, 1931, at Paterson, N. J., of being a disorderly person. Like wise he denied that, on November 5, 1931, at Avis, Pa., he had been convicted of assault. He said he assaulted no one.

After denying several convictions he was shown a card which he had signed at Welsh, Virginia, before he was returned to Ulster county. This card contained a record of several convictions and was signed Jose Gonzalez. He said that he had signed his brother's name to the card but he denied he had stated at the time that his occupation was that of a gambler. One of the questions on the card related to any relatives. The answer on the card stated that he had a brother Prudencio Gonzalez in Paterson, N. J. Questioned by Mr. Murray he said he had signed his brother's name to the card.

Denial was made that between October 12, 1931, and November 1, 1931, he had returned in the night to the home of Mrs. Andrews at Atlas, Pa., and asked her whether the police had been looking for him.

In answer to Francis T. Murray the witness said he had supplied his counsel with the names of people who he believed had seen him at Atlas on October 12, the date of the hold-up. Mr. Murray then offered several letters which had been returned to him. They were admitted to show that letters had been written but the contents were not played in evidence. Prudencio stated that he had never said Sergeant John Lockhart of the State Troopers had beaten him up at Albany and stated that the man who did beat him up was the driver of the car which had conveyed them to Albany from the local jail. He said he never had been beaten up in Kingston, only once in Albany.

An early recess was taken at noon in order that Judge Traver might take care of a children's court matter which had been set down. Court resumed until 2 o'clock.

(By The Associated Press)

A motorized column of 15,000 troops from Marshal Pietro Badoglio's northern army drove down the Imperial Ethiopian highway today, en route from Dessaye to Addis Ababa.

The Fascist commander-in-chief in East Africa sent this column of white Italian soldiers Sunday morning to augment the advance guard of native Askari warriors already advanced in positions far up the Dessaye-Addis Ababa road.

Over 1,000 trucks bearing soldiers and supplies formed this cavalcade chosen from the 30,000 troops who recently arrived in Dessaye for this assault on the Ethiopian capital.

No opposition has been encountered by the main army on the drive since the capture of Lake Ashangi, about half way between Dessaye and an earlier Italian outpost of the war at Makale, in the north.

Marshal Badoglio reported his southern army under Gen. Rodolfo Graziani was menacing Sana'a, strategic outpost of Harar, second city of Ethiopia lying near the only railway line in Ethiopia.

Three columns of Fascist troops were menacing the southern city from three sides, after a battle last Friday in which Italian sources reported 1,000 Ethiopians killed.

An Italian airplane circling over Addis Ababa dropped a warning leaflet to the population saying the city would be destroyed if any resistance would be offered to the Fascist occupation.

The leaflet called on the people to desert Haile Selassie and pledge allegiance to Italy who was occupying Ethiopia "for civilization."

Swing To Left  
France faced a critical test of its political forces as the election results showed a decisive swing to the left with Communists showing considerable gains in the late returns.

A run-off election would be necessary in many of the 618 districts because of the failure of many candidates to receive a clear majority in yesterday's voting.

The voting, however, showed that the radical Socialist party, dominant factor in the old parliamentary setup, would still retain a leadership in the new assembly, although the party sustained some losses.

The combined body of the leftists, united under the "popular front," appeared to emerge victorious in the elections, polling their votes in a front against the "Fascist menace" of the right parties.

The Spanish voting for electors to replace the deposed President Niceto Alcalá Zamora, brought forth Premier Manuel Azana as the most likely candidate for the country's presidency.

The common electoral front of the leftists, in most of the country, succeeded in choosing the majority of the 473 electors who will meet with a similar number of members of Parliament to choose the new president.

To Keep Private Army  
In Austria Vice Chancellor Ernst von Starheimberg said flatly he would oppose any attempts to disband his private army, instigating a succession of conference of government officials to deal with the impending crisis.

The young prince warned there would be a repetition of the bloody Socialist and the Nazi civil wars of 1934, should any attempt be made to curb his military power by disarming his Heimwehr, or Home Guard.

The financial field received news today of a ban imposed in Poland on foreign exchange operations curbing the dealings in foreign exchange, or valuta. Only the government and specified private banks were permitted to deal in foreign monies under this new decree.

Amman a Favorite  
Madrid, April 27 (AP)—Premier Manuel Azana emerged as the most likely candidate for Spain's presidency today after the leftist "popular front" maintained its union generally in the voting for presidential electors.

With the country quiet and the rightists offering little opposition, 422 electors were chosen yesterday, to meet with the similar number of members of Parliament May 10, to name a successor to the deposed President Niceto Alcalá Zamora.

The Socialists, Communists and left-Republicans, who won governmental control in the February parliamentary elections, maintained their common electoral front in all but a few provinces where the Socialists voted separately for their own candidates.

On him up at Albany and stated that the man who did beat him up was the driver of the car which had conveyed them to Albany from the local jail. He said he never had been beaten up in Kingston, only once in Albany.

An early recess was taken at noon in order that Judge Traver might take care of a children's court matter which had been set down. Court resumed until 2 o'clock.

## Maybelle Perry Is Held For Passing Bad Checks On Boston Merchants

Gray-Haired Woman, 48, Who Gave Her Residence as Kingston, Used Woodstock Address in Passing Check, is Held.

### SOCIETY HOAXER

Maybelle Perry Not in City Directory, Not Known in Local Police Circles.

Boston, April 27 (AP)—A stately gray-haired woman, who, Police Detective Joseph P. Decker said, hoaxed fashionable dowagers in four states, appeared in a police lineup today.

The woman, who told police she was Maybelle Perry, 48, of Kingston, N. Y., was taken into custody in an exclusive Back Bay hotel, where, they said, she had given a worthless check under the name of Mrs. Derak Van Loas of Woodstock, N. Y.

While in the police lineup, Lieutenant Edward Keating said, she admitted using at least 45 aliases during her operations and that she had cashed bogus checks in various eastern states.

Decker said she had victimized society leaders in New England, New Jersey, New York and Pennsylvania and had "hoodwinked" hotel proprietors in New England and New York. She was specifically charged, Decker said, with forging and passing worthless checks. He declared she had passed a fraudulent check for \$5 on the management of the Back Bay hotel.

Decker quoted the woman as saying she had two nephews at Harvard and that she was related to a famous film star. He declined, however, to comment on her statement.

She also fleeced historical societies, Decker added, by using fictitious names. Among the societies victimized, Decker asserted, was the Ipswich Historical Society, before which she lectured last summer while posing as a descendant of a famous family of the town. She promised, he said, to restore the huge Rogers mansion and present it to the society as a memorial.

Decker said that among those she interested in her plans for a memorial was Arthur W. Johnson, scientist renowned for his explorations in the Valley of Kings in Egypt.

When she left Ipswich, Decker declared, she left a trail of bad checks in the hands of merchants.

The woman, Decker added, had been under surveillance here for a week before she was taken into custody.

Police of 39 cities sought her, Decker said, including Newark, N. Y., Poughkeepsie, N. Y., West Point, N. Y., Providence, R. I., Augusta, Me., Danbury, Conn., New York city and Philadelphia. Police said she would be arraigned in municipal court later today.

### Not Known Here

Maybelle Perry is not listed in the Kingston directory, and inquiry at the city hall revealed the fact that she was not known to the local authorities.

### PRESIDENT STUDIES CROP PROBLEM ON HYDE PARK FARM

Hyde Park, N. Y., April 27 (AP)—President Roosevelt turned his attention today to crops, but it was purely a family problem.

Remaining over at the family homestead, the President took advantage of his visit to survey crop plans with John, his youngest son.

It appears that John, finishing his sophomore year at Harvard, will do the family tilling this summer. He went over the grounds yesterday with his father.

The President plans to leave for Washington late tonight and arrive there early tomorrow morning.

### Treasury Receipts

Washington, April 27 (AP)—The position of the treasury April 24: Receipts, \$585,671.21; expenditures, \$200,963,688.72. Net balance, \$2,314,046,717.32. Customs receipts for the month, \$26,225,821.02. Receipts for the fiscal year (since July 1), \$2,234,674,339.58. Expenditures, \$5,874,263,551.93, including \$2,634,882,914.69 of emergency expenditures. Excess of expenditures, \$2,439,589,212.15. Gross debt, \$21,426,531,526.13, a decrease of \$1,123,624.25 under the previous day. Gold assets, \$10,212,484,322.76.

## Father Divine Seeks To Buy Kingston Airport, Pleased With Location

Inspects Field and Hangar on Saturday and Will Again Confer With Milton Walker, Owner of the Field.

### CASH HIS METHOD

Negro Would Increase His Present Holding of About 520 Acres in Ulster County.

Father Divine, "Harlem's God," who seeks to colonize in Ulster county, is desirous of buying the Kingston Airport over the Washington avenue viaduct.

He was at the airport Saturday afternoon, inspecting the field and hangar, and expressed satisfaction with the equipment and location. Father Divine has a plane of his own, but did not have it with him.

The famous negro preacher talked at length with Milton Walker, owner of the air field, and hangar, but they did not come to terms on a transfer of the property. Another conference is to be held by Walker and Father Divine.

Father Divine generally spends his week-ends in Kingston and the other parts of Ulster county where he owns property. Approximately 520 acres are in his name now. John Dellay, Rosendale realtor, handles the Father's business in Ulster.

If Father Divine buys the airport, his land holdings will increase by about 30 acres. This amount, or a little over, is what the flying field takes in. It is all level land, and is most desirable as an airport, pilots say.

At present, the airport is being used by Bob Knauth, local aviator, who conducts the Kingston Flying Service started six years ago by Harper Molleaux. Molleaux ran the airport until last August when he gave up his interest to Knauth, who had been associated with him for three years.

It is understood Knauth has no interest in the field financially, the whole thing being owned by Walker. But he owns the airplane used in the Flying Service.

Walker would not say what offer Father Divine made for the airport, but told a reporter the prominent negro preacher reminded him that "cash" is his method of buying and that he would have it ready if the deal is made.

### WANTS DEFENSE AGAINST POLITICAL DEMAGOGUES

Washington, April 27 (AP)—The Chamber of Commerce of the United States today heard one of its leaders call on all business to form a "solid front" to defend any of its sectors which are subject to "unfair attack" by "demagogues."

"Too long have we allowed men, intent only upon the political benefit of the moment, to go unchallenged in their muckraking of American business," Philip J. Fay, of San Francisco, chamber vice-president, said in an address prepared for delivery to business men gathered for the annual convention of the chamber.

"For example," he said, "public utility companies have been made fair game for every political opportunist who wants to take a whack at them."

Calling on the business men to promote better public understanding of such matters, he said consumers' electric light and power bills are a "pittance" alongside other items in a family budget.

At an earlier point in his speech, he called also for business associations to bring to government an understanding of business problems, an understanding which, he said, "does not exist today."

### AWAITS INSTRUMENT NEEDED FOR OPERATION

Knoxville, Tenn., April 27 (AP)—Sixteen-year-old Pauline Lane spent another restless day on a hospital bed today while she awaited the arrival here of a delicate instrument needed to remove a cigarette lighter top from the bottom of her left lung.

The instrument was expected to arrive possibly late today from Philadelphia.

Meanwhile, Pauline, unable to breathe properly, coughed frequently and was restless.

She swallowed the head-sized, inch-long pin Friday when she lay down while holding it between her teeth.

Investigating Fire  
New York, April 27 (AP)—A fire which brought death to an elderly man and woman was under investigation today along with a series of burglaries. It is believed that four fires believed to have been of incendiary origin. Mrs. Selma Neuman, 70, and her brother, Paul, 70, were burned to death when they were trapped by flames in their Brooklyn home last night.

Three other men, all over 70, were critically burned. The origin of the fire has not been determined. The four fires suspected of being incendiary broke out in Bronx apartment houses, but did little damage. Incendiary fire Marshal John Callahan said the three fires were of a "mysterious" character and the fourth a "common" fire.

## \$803,000,000 Tax Bill Is "Extravagance of Political Boondoggling" Says Snell

### Seriously Ill

Cairo, April 27 (AP)—The condition of King Fuad, gravely ill with a throat and mouth infection, became worse today, the royal physicians announced.

An official bulletin said the monarch passed a restless night and that his mouth infection was spreading, increasing circulatory troubles. The king has taken no food for four days.

## Primary Contests Are Political Feature

Washington, April 27 (AP)—Political interest centered today on tomorrow's presidential primaries in Pennsylvania and the opening of the annual convention of the Chamber of Commerce of the United States.

Members of Congress were slow to volunteer comment on President Roosevelt's Saturday night speech in New York. Republican committee spokesmen had as yet made no reply to it.

Senator Vandenberg, of Michigan, advanced by his state for the Republican nomination, attracted new attention with his effort in the Senate to force publication of big benefit payments under the Agricultural Adjustment Administration.

Senator Borah, of Idaho, in running unopposed in the Pennsylvania contest. Some party leaders were watching to see how his vote would compare with President Roosevelt's in the Democratic primary.

Pennsylvania went Republican in 1922. Democratic managers are making a fight for the state's big electoral vote this year with the backing of the United Mine Workers.

The Democratic primary will find President Roosevelt opposed for the first time in a state-wide test. Col. Henry Breckinridge, of New York, a New Deal critic, is entered.

On the eve of the chamber of commerce meeting, which is expected to reflect organized business sentiment toward the New Deal, one of the organization's leaders called on industry to form a "solid front" against "unfair attack" by "demagogues." He was Philip J. Fay, of San Francisco, vice president of the chamber.

A third political attraction tomorrow will be the presidential primary in Massachusetts, but it was getting little attention from party leaders because of the absence of pledged delegates in the Republican contest.

### KINGSTON JUNIOR CHAMBER OF COMMERCE MEETS TUESDAY

A special meeting of the Kingston Junior Chamber of Commerce will be held Tuesday evening at the Governor Clinton Hotel. The meeting will begin promptly at 7:30 in order that the business of the club may be transacted and finished at a reasonable hour. It is important that all members and prospective members be present at the meeting.

Constitution and by-laws of the chamber will be read for the approval of the membership.

Several other matters of permanent concern to the organization will be discussed at this meeting, according to H. G. LaMotte, president of the club.

### Abandoned Automobile

An abandoned automobile on the West Hurley road, left standing after it crashed into a post near the railroad bridge, early Sunday morning, blocked the highway for several hours.

Police reported that the car was a 1934 Ford sedan, owned by Charles McConnaughey, who was killed in the crash. The car was found by a patrolman on Monday morning.

To Call Calendar  
Tuesday afternoon at 2 o'clock, the Kingston Junior Chamber of Commerce will call the calendar of events appearing on the May calendar of the chamber. At that time made up of the calendar, James H. Brown will present the May calendar of the chamber.

There will be a meeting of the Kingston Junior Chamber of Commerce on Tuesday evening, April 28, at 7:30 o'clock. There will be entertainment and a social.

Republican Leader Declares "No Sober-Minded Man Should Vote for New Taxes on Our People to Further Extravagance."

### DEFENSE MADE

Vinson Terms Attacks Against Huge Money Raising Measure as "Glittering Generalities."

Washington, April 27 (AP)—Republican Leader Snell plunged into the House controversy over the \$803,000,000 tax bill today with the assertion that "no sober minded man should vote for new taxes on our people to further encourage this shameful extravagance of political boondoggling."

Snell, who earlier had called on his party members to meet tonight to map strategy to pursue when the measure reaches the amendment stage tomorrow, said he believed the bill would "destroy many small and struggling business organizations."

"It will create monopolies and place additional hardships on small organizations which have depleted their reserves during the depression," he contended.

Difficulties confronting the bulky tax measure were emphasized further when Senator LaFollette (R-Wis.), told newsmen he would fight for a boost in individual income and surtaxes when the bill reaches the Senate.

Before Snell spoke, Representative Vinson (D., Ky.), member of the House ways and means committee which wrote the bill, had defended the measure, terming attacks against it "glittering generalities."

Just To Taxpayer  
The committee, Vinson said, attempted to provide a bill that would be "just to the taxpayer."

Three times, Snell said, Congress has been told in the President's budget message that no new taxes would be needed and each time has been called upon later to pass a new tax bill.

"All this proves beyond any shadow of doubt," the minority spokesman said, "that this administration does not have a semblance of a financial program. Its nearest approach to a budget policy is to spend all the money it can gather in or borrow, in as many ways as possible."

He said the most urgent need of the country is a definite and positive financial program for the federal government—"A program which will signalize the end of the new deal's spending joyride."

### Injuries Prove Fatal

Norwalk, Conn., April 27 (AP)—Anna S. Nowata, 25, of Brooklyn, N. Y., died today in the Norwalk Hospital of injuries suffered in an automobile accident which caused critical injury to four companions. Stanley Klemick and John Grayzo, were on the danger list in the hospital where Dr. Edward J. Tracey, attending physician said little hope was held for their recovery.

A fractured skull and lost right eye in the crash of the automobile into a tree 250 feet west of the State police barracks on the Norwalk Post Road last night, Grayzo suffered a compound fracture of the skull.

To Deport "Woman in Red"  
New York, April 27 (AP)—Mrs. Anna Sage, the "Woman in Red" in the killing of John Dillinger, arrived at Ellis Island today for deportation to Rumania, and immediately sought the seclusion of a room on the island. Mrs. Sage, who this morning refused to see visitors, sending them a note saying: "I am not a monkey in a cage." Rudolph Reimer, commissioner of immigration, said she went to bed as soon as she was assigned a room.

Improper Drakes  
Two fines of \$5 each were imposed by Justice of the Peace Charles R. Tiller of West Hurley, Saturday night, on Clarence Weideman, 15, Lucas Avenue, and Frederick Mower of Connelly, charged by State Trooper Raymond Dunn of Phoenixia with driving with improper drakes. Clyde Bennett of E. L. Kingston, arrested by Trooper Dunn for driving without a license, was fined \$5 by Justice of the Peace.

Our Growing Population  
The following births have been reported to the board of health: Mr. and Mrs. Samuel T. Read, of 132 Union Avenue, a son, Robert Telford at Kingston Hospital. Mr. and Mrs. Louis Marshall of 275 North street, a son, Louis Jr., at Benedictine Hospital.

Mr. and Mrs. Earl G. Benedict of Connelly, a daughter, Marilyn Anne, at Kingston Hospital.

Community Club Meeting  
There will be a meeting of the Kingston Junior Chamber of Commerce on Tuesday evening, April 28, at 7:30 o'clock. There will be entertainment and a social.

**Fine Entertainment Promised at Major Zucca's Amateur Hour**

A very fine program, which will delight all who attend, is promised for the entertainment, "Major Zucca's Amateur Hour," to be given in the Municipal Auditorium Wednesday night.

Miss Natalia Brundage of Newburgh will entertain with whistling selections and those who have heard her say that a real treat is in store. Headings will be given by Mrs. Edna Budd of Summitville, worthy matron of Wawarsing Chapter, O. E. S., Ellettsville. There will be a dance number by Miss Doris Kochendorf, daughter of a member of Catskill Chapter. Mrs. Jessie Wolford, a member of Kingston Chapter, Mrs. Gladys Muller of Stone Ridge, a member of Clinton Chapter, and Mrs. Snyder of Mountain Star Chapter, Windham, will be heard in solo.

The Sticks Entertainers of Saugerties will entertain with variety numbers. A play will be given by members of Mountain Star Chapter. A popular member of the order, who has earned quite a name for herself as an imitator, will also take part and one of the worthy matrons of the Greene-Elster district will give some selections on the harmonica.

These are but a few of the attractions on the program. There will also be a bazaar, where from seven o'clock until 8.15, when the entertainment will begin, and after the show, a variety of articles may be purchased. Refreshments will be on sale.

Members of the Greene-Elster district will be grateful for the patronage of their friends at this affair, which is given for a very worthwhile cause. Tickets may be obtained from members of the Eastern Star, or at the door.

Major Paul Zucca will be present in person and music will be furnished by his famous orchestra.

**Legion Conference At Chatham Sunday**

Chatham was the scene of World's Fair proportion crowds Sunday as the Third District Conference of the American Legion and Auxiliary got under way. Flags and bunting in lavish display added a festive note throughout the village and at the Fair Grounds, where the drum corps of 19 different posts assembled. Sons of the Legion, aided and abetted here and there by Junior Auxiliary members, presented promising units of band music.

Earlier in the day Legionnaires witnessed a baseball game at the Fair Grounds and at 1:45 p. m. the conference was called to order in the main building by Third District Chairman Bernard M. Snyder of Hudson. A cordial welcome to all was extended by the mayor of Chatham, followed by a number of speakers including the commander of the American Legion Post, No. 42, at Chatham, Howard J. Whalen, the chairman of Dutchess county, Post Third District Chairman John League and others. There was much discussion for the promotion of bringing the 19th Annual State Convention to New York City in 1936. A resolution was adopted that the Third District in conference assembled send congratulations to the rescuers of the entombed miners at Moose River, N. S.

This conference was sponsored by Chatham Post, No. 42, the only post in the state of New York in which 100 per cent of the members donated a part of their adjusted compensation to the American Legion Mountain Camp.

A short business session of the American Legion Auxiliary was held at the same time in the Legion rooms. Mrs. Maude Hanly of Delmar, N. Y., Third District chairman, presiding.

At 3 o'clock parking space for witnessing the parade was at a premium, while regular and special traffic policemen had a mighty busy time right up to the minute the first fanfare of bugles announced the approach of the long line of handsomely uniformed soldiery. Led by two companies of National Guard in army khaki, corps after corps of peach time warriors in gala dress and gleaming helmets followed in brilliant procession. Rensselaer, Troy, Cohoes, Watervliet, Catskill, Kingston, Poughkeepsie and Castleton-on-the-Hudson were represented, also grand delegations from Salisbury, Conn., Grant Barrington, Vt., and one from Massachusetts. Following the parade an outdoor exhibition was held at the Fair Grounds and refreshments were served to all.

## NEUTRALIZING GAS KILLS WAR VAPORS

New Chemical Given France  
by German Exile.

Paris.—A new neutralizing vapor which destroys the effectiveness of certain recently developed German poison gases capable of penetrating any gas mask is reported to have been discovered. This city's population is breathing considerably easier upon learning the good news, writes Edward Taylor in the Chicago Tribune.

The vapor is scattered in the air and it combats and neutralizes the poison gas immediately. Neither the chemical formula of the vapor nor the names of the gases it is intended to be used against were revealed.

The discoverer is a savant of a big German university of Polish origin who was driven out of Germany by the regime of Reichsfuehrer Hitler. He has been working quietly in a Paris suburb and recently communicated his discovery to the French war ministry, declaring he offered it free to the French people in gratitude for the hospitality France showed him.

May Take Place of Masks.

It is hoped his further investigations may reveal defense vapors against other gases. Some competent scientists declare that the continued development of neutralizing gases may thrust aside the use of gas masks, none of which would be usable against all gases, and the most efficient of which would be utterly useless against certain of the new German gases.

One of the latter is said to use an arsenic base and to penetrate even glycerol and duck.

Paris earnestly hopes the new anti-gas method can be placed on such a cheap, practicable basis that general distribution will be possible, since there is neither anything like an adequate supply of gas masks in the Paris area nor the possibility of the manufacture of a sufficient supply in time to do any good.

Find Defective Work.

As a result of the flood of gas masks of private manufacture and of nondescript types, many of them defective, the government some time ago forbade the sale of any but government inspected masks. In the meantime designating only 17 centers where they may be purchased.

The supply was utterly inadequate and it was declared that even if the war ministry inspection staff worked night and day the production of inspected masks would be negligible. Curiously, some of the masks passed by inspection were made in Germany. Some quarters suggested that the government, whether intentionally or not, is applying the philosophy of the war time general, Maxime Weygand, regarding civilians. It is: "In case of air attack the best thing for them to do is get out of the city."

## Tests Disclose Imported Grass Boon to Farmers

Washington.—Because of its value as a forage crop that will regrow after cutting of low value, demand for crested wheatgrass seeds exceeds the supply, according to a report from the Department of Agriculture.

The grass was introduced into this country from the dry plains of Siberia. The unusual demand for seed was attributed to several causes. The excellent way in which the grass came back last year after two years of drought, its value for hay and pasture, and the comparative ease with which it can be harvested and planted have proven its value to the farmer the department said.

Experiments made at Judith Basin, Mont., have disclosed that cattle pastured more days and made greater gains on fewer acres of crested wheatgrass than brome or native grass. Wheatgrass lasted 141 days, as compared with 125 days for brome and 55 days for native grass. The average gain per steer in pounds was 291 for wheatgrass, 249 for brome, and 114 for native grass. Similar results were obtained at other stations.

The grass appears two or four weeks earlier than native grass in the spring and lasts four to six weeks longer in the fall. If moisture conditions are favorable. It makes hay of a high quality. Is a good seed producer, and is an excellent grass to use in rotation, especially as a sod crop for fat.

## Death Masks Discovered in Mounds in Wisconsin

Madison, Wis.—Known history in this state now goes back 15,000 years and a new record of ancient residents here is announced by Prof. Ralph Linton, University of Wisconsin anthropologist. In the discovery of what are said to be the first portrait death masks ever found in America. The masks were found in recently opened burial mounds in northwestern Wisconsin.

The masks are said to be 3,000 to 4,000 years old. Professor Linton believes they are a record of aborigines who came to this region from the South; people touched with the civilization developing in Mexico. They were farmers and traders and knew the use of metal, probably coming here for copper.

Professor Linton says in his report "Our work has thrown much light on the life of this ancient people, and especially upon their treatment of their dead. These were not buried at once, but were kept for years as honored members of the community."

## Asks Assembly To Aid Anti-Crime Plan

(Continued from Page One)

view of the governor's request for an additional \$10,000,000 from general funds for relief purposes.

In addition to these major problems, the lawmakers still must vote on a proposal for centralization of relief administration in a permanent authority, a number of highway safety bills and appropriations aggregating nearly \$25,000,000.

Albany, N. Y., April 27 (AP).—Governor Lehman renewed vigorously today the fight for approval of his entire 60-point crime control program as the strifetop, legislature headed toward adjournment.

As on previous occasions, the governor directed his appeal to the Republican-controlled Assembly through the speaker, Irving M. Ives.

Seeks Cooperation.

"I have sought your cooperation and assistance in winning approval by the Assembly of these important anti-crime bills," he wrote Ives. "I have said that you should be standing shoulder to shoulder with me in this fight; that you and your associates should be aggressively cooperating with me. I again seek your cooperation."

The governor pointed out that last year, when the Assembly was under Democratic leadership, Ives criticized that House for failure to approve anti-crime proposals of Attorney General Bennett.

"You spoke out boldly and unsparringly as leader of your party last year in condemnation of those who defeated the anti-crime bills," Mr. Lehman wrote the speaker. "I believe that I am justified in asking in the interest of the people of the state, that you now uphold and strengthen my efforts to secure their enactment."

Thus far, only 27 of the 52 bills embodying the governor's program have become law. Two of the key measures—creation of a state department of justice and establishment of a crime prevention bureau—are among those still pending.

The Democratic-controlled Senate has passed all but three of the bills, but 19 are still before the Republican-dominated Assembly.

## "Y" Campaign Meeting Tonight

The fourth report meeting of the Y. M. C. A. finance campaign will be held at the "Y" this evening with dinner being served to the workers at 6:25 p. m. The biggest report of the campaign is expected to be given at tonight's meeting. The Rev. Clarence E. Brown, pastor of the Wurtz Street Baptist Church, will be the guest speaker of the evening.

Campaign Director Clarence S. Schoonmaker in his remarks at the meeting on Friday evening urged each division manager and co-manager to make a special effort to have every member of their teams present tonight at 6:25. General Chairman Clarence Dumm also is urging every member of the campaign organization to make a special effort to report tonight.

## Cornerstone Laid at West Park Orphanage

Visitors from all sections of Ulster and surrounding counties crowded about the new school at the West Park Orphanage, Sunday afternoon, for the laying of the cornerstone which was done with impressive ceremonies.

The Very Rev. Henry O'Carroll of Newburgh, dean of Orange county, and consulor of the Chancery Office presided over the ceremonies, and the Very Rev. John J. Stanley, pastor of St. Mary's Church, Kingston, and dean of Ulster county, preached the sermon. The Rev. Egidio Gangel, chaplain of the home, was master of ceremonies and Benediction of the Blessed Sacrament was given by the Very Rev. William McCarthy, C. S. R., rector of Mt. St. Alphonsus.

Venerable Mother Cabint, founder of the Missionary Sisters of

the Sacred Heart in 1890, selected the West Park site for the orphanage. More than 3,500 children have been cared for by the sisters during the existence of the orphanage.

The interior of the building is not yet complete, but visitors were allowed to inspect it after the cornerstone ceremonies.

Stranded When Car Breaks. Sunday afternoon, T. Gorman Schick, while sculling his scow across the creek from Fisher's Pavilion Hotel to South Rondout, did a Paul Bunyan act by applying so much pressure to the oar that he broke it. "Schick" was stranded in mid-stream calling for help. He finally attracted the attention of Frank "Shad" Mowbray of

## Expect Senators To Approve Tax Plan

Washington, April 27 (AP).—While sentiment on the administration tax bill was still forming within the Senate finance committee today, a hint came from one of its subcommittees that the controversial corporation revenue plan would finally be approved.

The subcommittee, considering the separate subject of war tax legislation, decided to base its war-time revenue plan on the administration's proposal for taxing corporations on the amount of profits they fail to distribute in dividends.

Although the proposal to tax undistributed corporation profits had met a cool reception from some members of the full committee, the subcommittee's action was taken on the assumption that the new tax program would eventually be enacted.

There was still no other indication of the ultimate fate of President Roosevelt's program at the hands of the Senate. Sentiment on the sweeping change in corporation taxes had not crystallized even within the finance committee.

(Corporations are taxed at present on their net incomes, under a graduated scale running from 12 1/2 to 15 per cent. Under the new program from congressional and treasury nothing to 42 1/2 per cent, depending upon how much they kept in surplus instead of dividing it in dividends.)

The committee was still in the process of learning about the program from congressional and treasury experts.

The House, which now has the bill under consideration, met an hour earlier to conclude general debate, with a view to passing by Thursday or Friday.

There was a wide divergence of opinion on policy within Republican ranks. Senator Hastings, of Delaware, had announced his opposition not only to the administration bill

but to any other tax measure until expenditures were curtailed. Some other Republicans, such as Senator Couzens, of Michigan, wanted to make the tax bill raise more, rather than less, revenue.

## Two More Speeders Unite With City Club

The East Chester By-pass Branch of the Speeders' Club received two new members over the week-end. William J. Ash, Jr., of Ridgewood, N. J., speeding 58 miles an hour on the new road forfeited \$15 cash bail by failure to appear in court. John Burroughs of West Park, was unable to appear in court today, but his father appeared for him and entered a plea of guilty to speeding 44 miles an hour. A fine of \$10 was imposed by Judge Culliton.

Louis Audet of Newburgh, arrested for driving a car with four adults riding in the front seat, forfeited bail of \$5 by failing to appear in court today.

August C. Arp of Woodstock, arrested on a charge of operating a car with only one headlight lit and no tail light, had his hearing set down for later.

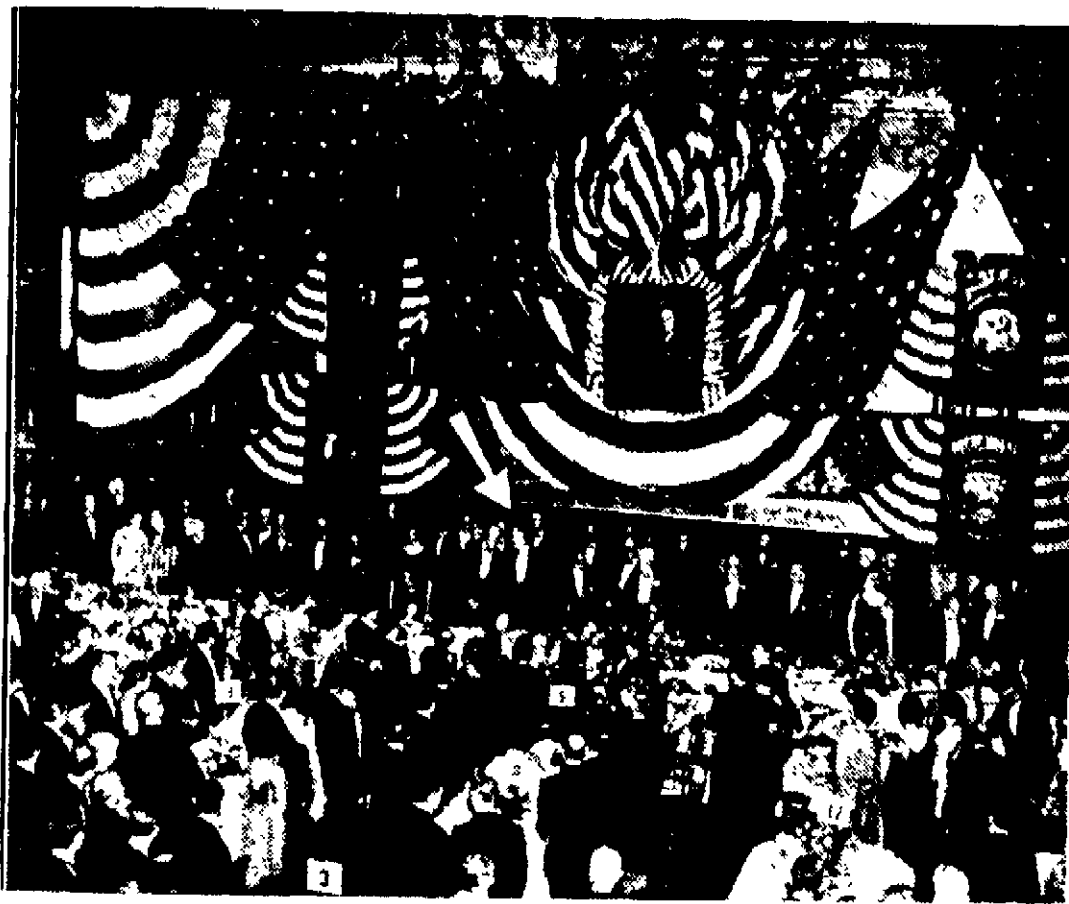

Daniel A. Toye of Middletown, arrested for public intoxication on Broadway, was fined \$5.

Frank Hoover of 16 Post street, arrested for public intoxication on lower Broadway Saturday night, was fined \$5.

### Roast Beef Dinner

Wednesday evening from 5 to 8 o'clock a roast beef dinner will be served by the Ladies' Aid Society of St. James M. E. Church. Mrs. Fred Snyder, chairman, assisted by Mrs. Bouton, Mrs. Libolt and Miss Anderson. Mrs. William Sanford and Mrs. Julius Gifford will be in charge of the dining room. As many ladies as possible are urged to come to the church for all day Wednesday to work, bringing their own luncheon. Tea and coffee will be furnished them.

This was a general view of the flag-decked banquet hall of the Hotel Commodore in New York as scores of high members of the Democratic party gathered to hear President Roosevelt in a Jefferson celebration address. Mr. Roosevelt is indicated by the arrow. (Associated Press Photo)

## Unique Program at New Paltz Dinner

A very unique program will be presented at the annual dinner of the consistory of the New Paltz Dutch Reformed Church which will be held Wednesday evening, April 29, at New Paltz. While the chicken supper will be a prominent feature of the evening it will be overshadowed by the entertainment which will follow. The supper will commence at 5:30.

The menu will be up to par for New Paltz and this guarantees good food but the novel portion of the program is the entertainment. The entertainment will be a "National Convention" of the "People's Party" with Mayor Conrad Heiselman of Kingston as "Keynote" for the evening. The affair will be held in the Reformed Dutch Church parlors and all speeches by the candidates will be limited to three minutes.

Presidential aspirants need look to their laurels for among the convention candidates will be the "favorite sons" of Ulster county. All will be in good fun and frolic and the only solid substantial thing in evidence for the evening will be the dinner. The committee in charge has made elaborate preparations and anticipate a good crowd.

The order of business for the "People's Party" convention next Wednesday will be as follows:

Keynote speaker, Mayor Conrad J. Heiselman of Kingston; temporary chairman, Commissioner Robert P. Parker; Senator Borah, Col. Lester Harvey, Al Smith, Judge I. C. Barnes, Dr. Townsend, DeWitt C. Seward, Herbert Hoover, D. V. Z. Bogart, President Roosevelt, Judge A. V. Dayton, Governor Landon, Charles Parker.

And then will come the "Dark Horse," whose identity remains a deep, dark secret. However the dark horse is said to be a good runner and some keen competition may be expected. Anyone desiring a real chicken dinner and a good evening of pleasure and hearty laughter should head for New Paltz next Wednesday.

Even the usual New Paltz Huguenot menu will have a political trend. There will be plain tomato juice cocktail, Hoover fricasseed chicken, Borah baked potatoes, Landon fresh green peas, hot biscuit at a Roosevelt, Townsend, DeWitt C. Seward, Herbert Hoover, D. V. Z. ## WOMEN OF ALL AGES

YOUNG women who suffer from monthly pains, headache or side ache, and women of middle age who suffer from "hot flashes" need the tonic effect of Dr. Pierce's Favorite Prescription. Read what Mrs. Katherine Moore, of New York, has to say: "I have been suffering from monthly pains, headache or side ache, and from 'hot flashes' for many years. I have tried many remedies, but nothing has helped me until I began to take Dr. Pierce's Favorite Prescription. It has cured me of all my troubles and I feel like a new woman now."

Dr. Pierce's Favorite Prescription is a wonderful tonic for women. It is made of pure herbs and is entirely non-habit forming. It is sold in bottles of 25c and 50c. All druggists.

### Good Will Month.

Kingston Freeman, Kingston, N. Y.

Editor:

Many individuals and organizations are cooperating to establish the month of May, as Universal Goodwill Month.

Some of these organizations are The International Science Forum, The Salvation Army.

The National Council for the Prevention of War, The American Association of University Women.

American Federation of Teachers, National Council of Federated Church Women.

United Synagogue of America, International Truth Alliance.

National Board Y. W. C. A. National Education Association.

Central Conference American Rabbis, National Reform Association.

The Federal Council of Churches, The Camp Fire Girls, are sending out invocations.

Prominent individuals cooperating are: Dr. Harry N. Holmes, National Youth Radio Conference, Doris Laura Eliek, President Briarcliff College, Glenn Clark, well known professor and author, Claude Braden, architect and author, Paul Harris, Jr., secretary Peace Action Service, J. C. Phelps Stokes, Dan Rudolph, musician and author, Anne Pierce, associate editor Home

Arts, Carl Ehlermann, attorney; Dr. Ellis F. Hassell, retired educator and many others.

The interest and cooperation of these prominently active persons and organizations in a Universal Goodwill Month was stimulated by the following invocation:

"Let the Forces of Light bring illumination to all mankind. Let the Spirit of Peace be spread abroad."

May men of goodwill everywhere meet in a spirit of cooperation. Let Power attend the efforts of all brothers of humanity.

May forgiveness on the part of all men be the keynote of this time.

These invocations have been printed in many different languages, and have been distributed on request and free of charge to approximately half a million people throughout the world.

Organizations are using it. Churches are using it for responsive reading. Ministers are preaching on it, during the month of May, using one line each Sunday as a text.

It is not the intention of this committee that the invocation or the establishment of Goodwill Month develop into a movement, or an organization. The idea is for the use of all and for the good of humanity.

Any quantity of invocation cards or suggested programs are available by writing to committee on Universal Goodwill Month of May at 11 West 12nd Street, Suite 2614 New York City.

## Temporary Span at Mt. Tremper Bridge

A one-way temporary span has been constructed by County Superintendent of Highways James J. Pleasant at the Mt. Tremper bridge. The bridge is a concrete structure which was damaged by flood waters which was damaged by flood waters which was damaged by flood waters.

The opening of the bridge to traffic will be a relief to residents on the west of the creek from a long detour by way of Thompson and will also be welcomed by the summer boarding houses located on the west bank of the Esopus creek. Work is still going on on the creek bed where the bridge is being built to prevent the creek and prevent a recurrence of the damage to the bridge.

## Attorney Rifenburg Died in Syracuse

Attorney Chester R. Rifenburg, a well-known lawyer of Syracuse, N. Y., died at his home there on Saturday, April 26. He was a son of the late T. J. Pleasant bridge to give school children means of access to the bridge.

Mr. Rifenburg was born in Kingston and was a graduate of Kingston Academy, being president of his graduating class of 1911. He worked for two years in the National Water Control Bank and then took up his studies at Syracuse University, graduating in 1917. During the World War he served two years in the army and then entered Harvard Law School where he graduated in 1922.

He has been a member of the Syracuse Bar for a number of years and was well known as a practicing attorney.

## Big Audience Likes Parade of Winners

Last Saturday night's "Parade of Winners" was the best bill of stage entertainment put on by Joe Martin of New York at Read's in several weeks and was thoroughly enjoyed by the capacity house that saw it. Carol Blake, sweet little tap dancer, was excellent in her imitation of Ruby Keeler doing "Don't Give Up The Ship" and "Sweet Sue Harold Greene, a winner on the Fred Allen hour and recent attraction at the Onelda Theatre, Chicago made a bit with his trumpet playing "Carnival Nights" and "Star Dust" George Rowland, novelty juggler, who tossed around clear boxes, knives, etc., in masterful manner, got a big hand, and Bobby Rogers, comedian and tenor who sang "Wagon Wheels" and "In the Middle of a Kiss" was popular as were Murphy and Sullivan featured dance team that did tap dances, soft shoe routine and acrobatics like old troupers. Lyle Embree, pianist, who accompanies the "Parade of Winners" each week, was introduced by Joe Martin, master of ceremonies, to get his share

of the applause that the music should be justly deserved. Lyle is a well known musician of this city. He is to be at the piano for the Industrial Minstrel show in Read's Friday night.

Replica of "The Spy" House. The model made by Mark Donington, now on display in Safford and Scudder's window, is the replica of the "Spy" house where the British spy Daniel Taylor, was held and later hung October 18, 1777.

## FINANCIAL AND COMMERCIAL

CLAUDE E. JACOB

New York, April 27 (AP)—One of the sharpest reactions of the past 21 months hit the stock market today, with leading issues falling 1 to 6 or more points.

At the peak of the selling rush the ticker tape dropped several minutes behind floor transactions. The volume dwindled appreciably later, although there was little or no pick-up in prices.

Notable declines near the start of the final hour were shown by Case, Allied Chemical, Auburn, International Harvester, Deere, Douglas Aircraft, Westinghouse, Du Pont, U. S. Steel, Bethlehem, Youngtown Sheet & Tube, Chrysler, General Motors, Anaconda, Montgomery Ward, Standard Oil of New Jersey, American Telephone, Western Union, Consolidated Edison, Santa Fe, N. Y. Central and Southern Pacific.

The late tone was weak. Transfers were around 2,000,000 shares.

## Jobless Plan To Surrender Assembly

Trenton, N. J., April 27 (AP)—Powell Johnson, secretary of the Workers' Alliance, whose members have held possession of the New Jersey Assembly room night and day since Tuesday afternoon, said today the group would surrender the chamber when the lawmakers return to their desks tonight.

"We will confer with Speaker (Marcus W.) Newcomb today," Johnson said, "and make arrangements with him for pulling the galleries and corridors tonight so there will be no disorder on the part of our members, and the assemblymen will understand they are not to be hindered in doing their duty."

Several thousand of the unemployed were expected to come to Trenton from various sections of the state to take part in a state house demonstration. The legislature's failure to find relief funds passed the responsibility over to the municipalities two weeks ago. Several communities have balked at accepting it on the ground it is the state's responsibility, and many have warned they cannot bear the burden for long.

More than 100 members of the Workers' Alliance spent their sixth night sleeping in the assemblymen's swivel chairs last night. They have subsisted on coffee, bread, cold meats and macaroni donated by Trenton merchants and friends. Yesterday morning they conducted prayer services and listened to a sermon by the Rev. Robert Smith of the Grace Episcopal Church, Trenton.

In the evening hundreds of spectators in white collars and fur coats watched the good-natured jobless poke fun at the assemblymen in their sixth "evening session" of a mock legislative meeting. They adopted a resolution "appropriating \$1,000,000 to permit Governor Harold G. Hoffman and Mayor Frank Hague of Jersey City to go to Alaska and survey the Alaskan salmon, its life, loves and tax problems, so the New Jersey legislature will be free to do its duty with outside influence."

## Local Delegates To Represent Presbytery

Two local Presbyterians will represent the Presbytery of North River at the general assembly of their denomination next month. It was announced here yesterday. They are the Rev. James N. Armstrong, Jr., pastor of the Rondout Presbyterian Church, and Robert D. Evans, Jr., clerk of the session in the uptown Presbyterian Church.

Other commissioners who will likewise go to the assembly are Nathan Williams, elder in the Highland Church, and the Rev. William McVey of Freedom Plains, moderator of the presbytery. There were elected last week at a meeting held in Storm King School, on Storm King Mountain.

This general official meeting of representatives will be one of the most decisive in the history of the church. It is forecast. Final action will come on the review of trials by Dr. J. Gresham Machin, and his fellow insurgents of the Independent Board of Foreign Missions, who declined to disband when officially directed to do so by the general assembly.

At the presbytery which elected these commissioners a candidate for the ministry, Eugene Potter, was again examined and his ordination voted. This will take place at an adjourned meeting in the church at Salisburyville, where he will be installed May 10.

## Ulster County Chapter Goes Over the Top

The Ulster County Chapter American Red Cross is happy to announce that \$5,500 has been raised, and forwarded to National Headquarters at Washington, D. C., for flood relief work. This amount exceeds the goal of \$5,000, and the chapter members are exceedingly grateful to the people of Ulster county for their generous support. A letter from Cary T. Griswold, chairman of the National Organization, expresses his sincere appreciation to those who have been able to assist in this wonderful work of saving lives and relieving those who lost all their possessions in the recent floods.

## Parent-Teacher Associations

## Mt. Marion P. T. A.

On Tuesday, April 21, the Mt. Marion P. T. A. celebrated children's month. The meeting was held in the church hall with over 100 in attendance.

Mrs. William Myer, president, first announced the nominating committee for election of officers in the month of May. It is as follows: Mrs. George Gillison, chairman; Miss Victoria Maroon and the Rev. Harvey Hoffman.

Miss Maroon announced that the children would give a playlet entitled "The Doll Shop." The playlet was an original entertainment worked out by Miss Maroon and Mrs. Hoffman on the theme for the year, International Understanding.

The Doll Shop contained a pair of dolls from many different foreign countries. Each dressed to harmonize with the country he or she belonged to.

Alice Tobias and Joann Young as mother and child enter the shop and buy a pretty little curly headed doll, Margaret Harder. After which the proprietor, Irving Law, closes up the shop for the night. The dolls immediately come to life and six wooden soldiers have a parade. They then decide to have an entertainment with Raymond Lang announcing and master of ceremonies. The first couple are Hans and Hilda from Holland, who sing, William Werner and Marion Werner. The next couple are from Italy and are represented by Nan Gillison and John Harder. They sing "Santa Lucia" with the whole ensemble joining in the chorus. Then Barbara Harder and Albert Martin as Patrick and Kathleen from Ireland, dance an Irish jig and sing "My Wild Irish Rose." Eleanor Martin as Juanita and Guy Huppenbauer as Pedro of Spain next sing "Juanita." Beverly Kolb and Edwin Huppenbauer as Jeanne and Jean of Spain sang a French Round assisted by the whole ensemble. David Courson and Marjorie Young as two darkies, Eliza Jane and the Rev. Ezekiel Brown, then held a revival meeting which they concluded with the singing of "Swing Low, Sweet Chariot." The last couple of dolls to perform was from Japan and were represented by Jean Myer and Glen Ford Place, who sang the "Japanese Sandman." The entertainment closed with a flag drill by the little American dolls, represented by the young children in the school.

Music for the songs and drills was played by Mrs. Harvey Hoffman. The parents and friends showed their appreciation of the excellent performance by a standing vote of thanks. The meeting was then adjourned and the prettily dressed "dolls" helped serve ice cream and cake to all.

## K. H. S. Varsity Nine Defeats Alumni By Score of 11 to 8

The Maroon and White aggregation pounded the offerings of Johnny Burgevin for 16 hits to score an 11-8 triumph over an Alumni nine at the Athletic Field Saturday. The graduates picked Charlie Beck for eight hits which coupled with four errors gave them their eight tallies.

Tommy Malm had a big day, going out a double and three singles on five trips to the plate. Eddie Beck, Tony Rhinehardt, Ralph DeCicco and Charlie Beck each got a pair of singles. Ad Beckhoren poled a triple to deep right center in the second inning for the longest hit of the game.

Tommy Lamb led the graduates with two doubles and a single while Charlie Tiano slapped out a pair of singles to save their teammates from complete annihilation. Singles by DeBrosky, Keider and Mac Tiano were their only other hits.

In the opening stanza the Varsity drew first blood by picking up three runs.

Eddie Beck led off with a sharp single over second and was advanced on Van Derzee's sacrifice. Rhinehardt's free pass and Malm's infield single filled the bases. They were scored on successive singles by Charlie Beck and Lou Glenn.

The Alumni went out in front in the second inning scoring four times. Charlie Tiano reached first on Van Derzee's error and drew up at second on a passed ball by Malm. Hopper dropped Bobby Cullum's fly allowing him to go to second and Tiano to third. A bad throw by Rhinehardt to home allowed Tiano and Cullum to score, while Quest rested safely on second by virtue of a fielder's choice. Johnny Burgevin drove a hot one through Tony Rhinehardt to score Quest and later crossed the platter on Lamb's single. In their half of the second the Varsity had a big time, pushing over five runs.

Hopper singled to center and scored on Beckhoren's triple. Van Derzee was safe on a fielder's choice and went to second while Beckhoren scored. Rhinehardt's single sent Van Derzee home and Rhinehardt scored across the platter later on a double by Malm. Captain DeCicco singled, driving Malm in, to end the scoring for the inning. In the fourth Keider scored on Lamb's double while in the seventh Charlie Tiano singled to score Martin and DeBrosky and in the ninth Tiano drove T. Lamb across the platter to conclude the Alumni scoring. In the eighth four successive singles sent in three more runs to sew up a victory for the Varsity.

Johnny Quest made a shoestring catch of Eddie Beck's drive to center field robbing him of a hit in the sixth inning. Mac Tiano made a beautiful catch of Charlie Beck's foul after smashing into the back stop.

## Picking the Winner In Saturday's Race At Churchill Downs

Louisville, Ky., April 27 (AP)—Ratbirds at Churchill Downs today awaited the arrival of eastern horses, which ran in the Wood Memorial Saturday, before giving their final verdict as to which of the 20-odd hopefuls expected to start Saturday in the 62nd Kentucky Derby would come home first.

Brevity, Joe Widener's Winter-book favorite, who turned in a sparkling performance at the Downs Saturday in winning the sophomore purse, was still tops among the locals, but Teufel's arrival was eagerly awaited following the colt's victory Saturday in the Wood.

Almost equal interest was centered on Granville, which ran second in the Jamaica event. Ned Reigh and Bright Plumage are also expected to arrive while there is some doubt as to whether Hal Price Headley's Hollywood will be shipped here for the classic. The Headley horse turned in a dismal performance Saturday.

Local pickers today gave Brevity the top spot with Teufel and Granville sharing second place honors. Col. E. R. Bradley's entries—Blen Joli and Banister—were next in line, with Grand Slam, Indian Broom and Gold Seeker coming in for their share of attention. Goldstream, an in and out, gave a poor showing Saturday in the Clark Handicap at the Downs but still had a strong following.

Boston Pal, Charley Thompson's colt, pulled up lame after the sophomore and is considered to be definitely out of the Derby. Wise Duke is not expected to be among the starters Saturday but Silas, a dark horse, is still listed as a starter.

Further information on several of the derby candidates will be gained tomorrow in the Derby trial. Indian Broom, Grand Slam and Gold Seeker are almost certain to be among the starters.

Visitors at the Downs Saturday were greatly impressed by the many improvements made during the winter months. A new cocktail room in the clubhouse is the last word in luxury with big soft divans and chairs. A feature is the collection of small models of all the Derby winners. Drinks range from a dollar upwards.

Hotels reported an early gathering of the clans with all reservations for the week-end long ago filled, and a lengthy waiting list. As usual Pullman cars placed on railroad sidings will care for many unable to get in hotels and the Derby Festival Housing Bureau will take care of the rest.

Louisville's Derby Festival Week will get into full swing Wednesday night at the annual carnival parade. Thursday night the Derby ball is scheduled, and Friday night Jack Dempsey will referee a non-title bout between Barney Ross of Chicago, welterweight champ, and "Chuck" Woods of Detroit.

Des Moines—Sears clips three seconds from American outdoor two-mile record with 9:10.6 performance at Drake relay; Cunningham wins 1,000 yards in 2:11.2 for American outdoor record; Alton Terry makes best javelin throw listed for native American, 222.65 feet.

Boston—Harvard rolls up 65 points to win Greater Boston intercollegiate title; Holy Cross second with 45.

Louisville—Brevity, derby favorite, scores decisive victory over Blen Joli, Sangreal and other derby eligible on sophomore purse at Churchill Downs; Corinto wins Clark Handicap.

New York—Teufel, outsider from Wheeling stable, noses out William Woodward's favorite, Granville, in Wood Memorial at Jamaica, Delphinian third in pre-derby test.

Glyndon, Md.—J. W. Martin's shore wins Maryland Hunt Cup by eight lengths from Otend.

Harre De Grace, Md.—Leon Carter's Black Gift, perine 40.10 for \$2, wins Philadelphia handicap.

Arlington Downs, Tex.—Centennial Exposition handicap to Maryland.

Worcester, Mass.—Yale makes sweep of three races in regatta with M. I. T.

Buckley has long been rated one of the best bowlers in Albany, having an average of 193 in five leagues. He can act on the alley as well as talk about the sport.

President Peter Keresman will be hostmaster at the banquet and will introduce Buckley and several other prominent speakers. The banquet is expected to take place at the Hotel Hamilton.

## City League Games Start May 5, Schedule for the First Half

The Berardi A. C. and the Hedrick's Brews will have the distinction of inaugurating another season of twilight baseball as the Kingston City League campaign gets under way Tuesday, May 5, at Athletic Field.

All games scheduled for May will start at 6:15, sharp. Commencing June 1 games are to start at 6:30. The Berardi, composed almost entirely of former Kingston High School players, crossed up the experts last season to beat out the highly touted Forsts and the Crystal Beauty Shoppe. The defending champions will be short-handed for the first half, but are expected to be serious contenders for the second round title.

The League starts off with its full quota of six teams, the Glasco Firemen having replaced the Crystal Beauty Shop, which has decided not to participate in League games. The other starters are: Berardi A. C., Hedrick's Brews (formerly the North Roundout Social Club), Kaslich A. C., Huron Indians (now of Stone Ridge), Grunewald's Home Leaders and the Glasco Firemen.

## Uptown Merchants Take Four Straight In Decisive Match

The Uptown Merchants made a clean sweep in their four game match Sunday against the Colonials, the match being a playoff to decide second place in the City Bowling League. The first three games were played on the Emerick alleys, the third being a close contest, with but a three pin margin for the Merchants when scores were totaled.

The fourth game was played on the Colonial alleys, with both teams playing in ragged form.

Fred Rice was outstanding player for the series, taking high single at 247 and having high average of 204. The winners' total of 962 for the first game was high.

Wilbur Dodgers Suffer a Setback as Trojans Win, 11-1

The Kingston Trojans, who later in the season will play under the Stanton Brewery banner, gave Mel Lynch's Wilbur Dodgers a setback Sunday afternoon, trouncing them to the tune of 11 to 1.

Toddy Uble and Ben Toffel were on the mound for the Trojans and although both were wild at times, limited the Dodgers to four hits.

The offerings of Spitzer, Zoller and McLean were pounded for 12 safeties. Joe Spitzer started for the Dodgers, but went to the showers in the second after the Trojans had scored their sixth run off his delivery. Zoller and McLean shared the pitching for the balance of the game, Zoller being scored on twice and McLean three times.

Bert DeBrosky led the attack for the Trojans, with a triple, two doubles and a single. Jim McElrath drove out a pair of doubles and a single. Joe Wenzel, Chet Jansen and Jake Berinato each got two baggers. Larry Wenzel for the Dodgers was credited with two singles.

## Medicine Moves To Give Scadding Aid

Halifax, N. S., April 27 (AP) — A second plane-load of medical equipment was brought from Toronto today for the treatment of Charles Alfred Scadding, one of the two survivors of a ten-day entombment in the Moose River gold mine.

Dr. Harold D. Storms, physiotherapist of the Ontario workmen's compensation board, was bringing the special electrical equipment known as a six-meter ultra short-wave diathermy, to treat Scadding's foot condition.

The apparatus, expected to assist in establishing "collateral circulation," was sent by the Ontario government after a "glass boot" was sent previously to aid circulation.

The physicians attending Scadding, who contracted "trench foot" during his long confinement and exposure, announced:

"The condition of his feet and legs is so greatly improved that we can hope that surgical interference will not be necessary."

Dr. D. E. Robertson, distinguished Toronto physician, who was rescued with Scadding last week from the Moose River mine, was recovering in the same hospital.

Herman Magill, partner of Dr. Robertson in the recent purchase of the mine, who was trapped with the doctor and Scadding, the mine timekeeper, in a cave-in Easter Sunday night, was accorded full military honors yesterday in a funeral service at Toronto. He was buried in Hamilton, Ont.

### INVITATIONS EXTENDED TO THE KINGSTON W. C. T. U.

W. C. T. U. members held their April meeting Thursday, April 23, at the St. James Methodist Episcopal Church, with the president, Mrs. George Shultis, in charge. The worship period consisted of scripture reading by Miss Edith Myers, and prayers for the work; also singing of devotional hymns.

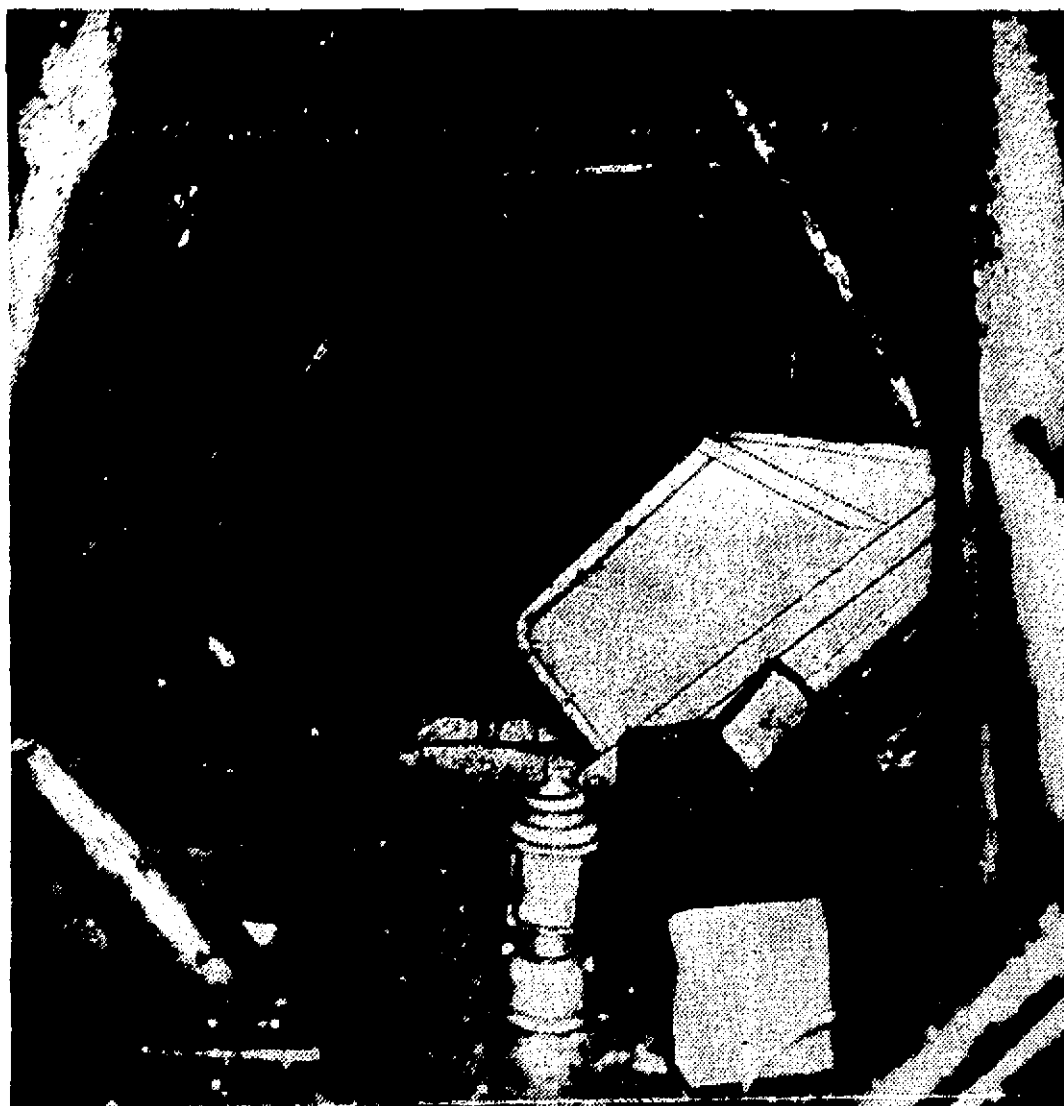

During the business period it was decided that, in order to meet the quota of the Alcohol Education Fund, it would be very necessary to conduct an every member canvass this spring. The group decided to accept the invitation of The Home for the Aged to hold a worship service there. That service will be held on Sunday afternoon, May 10, at 3:30 o'clock. Mrs. Elta Corbett, member of the Ulster Park Union, was present and extended a cordial invitation to the union to attend their local institute, Wednesday, April 29, at 8 o'clock, in the Governor Clinton Hotel. Several members of the group read with great interest excerpts of a sermon entitled "The Aftermath," written by the Rev. Charles L. Palmer of this city, and published by the Union Signal, which is the National Woman's Christian Temperance Journal of Social Reform.

The meeting was concluded by the W. C. T. U. benediction.

## GRAPHIC VIEW OF 'LIVING TOMB' IN MINE CAVE-IN

At the risk of his life, the cameraman descended into the forbidding depths of the gold mine at Moose River, N. S., to make this picture of the "living tomb" where Dr. Robertson, Charles Alfred Scadding and Herman Magill were trapped. In the foreground is the lamp the men had when they went into the mine and to the right is the steel bucket in which they were preparing to return to the surface when the cave-in occurred. ## "The Blue Forest" To Be Given at the Municipal Auditorium

A large crowd is expected to attend the opera, "The Blue Forest," to be given at the Municipal Auditorium Tuesday afternoon under auspices of Prisma Society of Kingston High School.

One of the outstanding artists in the cast is Miss Alma Milstead, soloist, who will portray the part of "Little Red Riding Hood."

Following is a synopsis of the opera, which is said to be just as interesting to the grown-ups as it is to the young folk:

Red Riding Hood, leaving her house on her way to her grandmother, with cookies and goodies, meets her playmate, Hop-O-My-Thumb, to whom she gives one of her cakes. Hop-O-My-Thumb, who has overheard his father's plan to leave Hop in the woods, because the father cannot provide food and clothing for him, decided to keep the cake and scatter the crumbs through the wood, so that he may find his way back home. As the two children leave for the woods, the Princess of the neighboring castle comes to visit the village. She is attracted to a spinning wheel and sits down at it, in front of one of the houses. When a child, a Wicked Fairy had put a curse upon her—should she prick her finger at a spinning-wheel she would fall into a deep sleep which would last one hundred years! Despite her knowledge of this awful fate, the Princess begins to spin. She pricks her finger and falls unconscious, to be carried to her castle by her servants. The Prince, who has been standing near by and has fallen in love with the Princess, resolves to follow her to the castle and awaken her.

Next we find Red Riding Hood in the woods, where she has been frightened by a wolf. Hop-O-My-Thumb, who has been frightened, but by the Ogre, meets her. Both children are lost in the forest and, after praying to the Good Fairy to guard them from harm, they fall asleep. The Ogre finds them sleeping beneath a tree but, just as he is about to seize them, the Good Fairy places a bucket of wine in front of the tree. The Ogre passes in his terrible deed, to drink the wine, and he soon falls asleep. The children awaken, remove the Ogre's Seven-League-Boots so that he cannot pursue them. The Prince appears in the forest, seeking the Enchanted Castle where the Princess is sleeping. He has just slain the wolf which had so terrified Red Riding Hood, and he now has the Ogre removed in chains. For his good deeds in helping little children, the Prince is aided by the Good Fairy, who reveals to him the Enchanted Castle gleaming through the trees. Two children and the Prince set off for the castle.

The children arrive at the castle in advance of the Prince and they go quietly into the chamber of the Princess, where they find her, a sleeping beauty on her royal bed. The Prince, having just arrived, comes to the room and approaches the Princess. He kisses her lips and the Princess awakens immediately. She at once falls in love with him and the Prince remains with her, to marry her and rule over the kingdom. The Prince and Princess bid farewell to the two children, who return safely to their parents.

AUTOMOBILES CRASH NEAR  
HIGHLAND ON SUNDAY  
There was an automobile accident Sunday afternoon about 1:15 o'clock near Highland, between the Chrysler roadster of Philomene Daley, Woodstock, and the Chevrolet coach of Floyd W. Palmatier, 154 South street, Newburgh, resulting in the loss of two fenders off of the Chevrolet. There were no injuries and no arrests.

Sergeant John Lockhart of the state troopers, investigating the accident, was told by the Woodstock

woman that she applied the brakes, which had been adjusted recently, as she tried to pass a truck, and her car skidded into that of Palmatier, sideswiping it. She was driving north and Palmatier south.
